WHAT DOES THE RED CROSS MEAN TO YOU?

Ask people what they know about the Red Cross and the chances are they will tell you about the Society's work in areas of disaster, or in the Third World. Sometimes, people remember having seen Red Cross First Aiders at sporting events or they may even have borrowed equipment from a local Red Cross medical loan depot.

"The Red Cross is involved in so many community service roles that it is often difficult for the public to have a clear image of our work," said Jackie Cunningham, Public Relations Officer for the Cambridgeshire Branch. "Neither do they realise that we are a voluntary organisation which makes no discrimination as to nationality, race, religious beliefs, class or political opinion. The Society exists only to relieve the suffering of individuals."

In Cambridgeshire alone, the Red Cross provides clubs and residential homes for the elderly, holidays for handicapped children and adults, and sports clubs for the disabled. Red Cross members also assist hospitals by running shops and libraries and trained staff provide a "beauty care" service for long-term patients and even work with surgeons to camouflage disfiguring scars or marks. Volunteers also regularly escort patients to and from hospitals. Of course, the Red Cross is well known for its First Aid, Nursing and Welfare training courses for the general public and for industry.

This is the 125th Anniversary of the founding of the British Red Cross Society with 90,000 volunteers, operating from 1,000 centres, identifying and meeting local needs. If you would like to join, or would like to know more about the Society, contact Michael Flynn, Director, Cambridgeshire Red Cross, 2 Shaftesbury Road, Cambridge. Telephone Cambridge 354434

BAR HILL COLTS F.C.

A party of Bar Hill Colts plus eight members of Chesterton Youth has just completed a successful trip to Waldhilsbach, West Germany. The trip combined football with sightseeing and generally having a good time. It was such a success in fact that none of the boys wanted to come home!

In 1990 we hope to host a visit from the Waldhilsbach U-10's (then they will be U-12) and next year who knows, if Waldhilsbach can stand it maybe we will be able to go back again!

May 7th is our end of season Disco/Presentation night.

May 28th we go to the U-15 international at Wembley.

VILLAGE SIGN

Some of you may have noticed the base of the Village Sign being built, near the roundabout as you come in to the village, during the last few days.

The sign will be mounted during May when we hope to hold an "unveiling" ceremony.

BAR HILL COMMUNITY USERS ASSOCIATION

Spring usually sees a greater number of people moving into the village. This now means that we have said 'good-bye' to a number of friends who have moved away but this loss is made up by meeting newcomers who, I hope, will soon make friends in this very hospitable community. One way to make new friends is to look at the list of activities which take place in YOUR community school. We welcome all ages and look to provide a comfortable place for you to follow an interest. Should you have an interest or skill, not listed, you would like to share with your neighbours please let me know and we will endeavour to form a group.

At the start of next month, again in conjunction with our village policeman and his specialist friends, we shall be putting on a course for Over 14's who are interested in learning to ride a motorcycle. This has proved a very popular and interesting event in which every one has had a great deal of fun. This is starting on Tuesday 7th June at 7.00pm and will run for 4 weeks. There will be an opportunity for the participants to ride a motorcycle in controlled surroundings. A small charge of £1 will be collected to defray costs.

Don't forget. Check your Community School Diary for activities.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on 21st April at 7.30 p.m. in the Old Farmhouse.

Co-Option of Councillor

Mr. J. James was co-opted to the Parish Council to fill the casual vacancy arising from Mr. Campbell's resignation.

Sale of Land to Domino

Negotiations with Domino Printing, regarding their purchase of the triangular area of land adjacent to the A604 and Little Chef, have now been concluded.

Raising of Speed Limit on Perimeter Road

A Public Meeting will be held on 5th May at 8 p.m. in the Village Hall, where representatives from both Cambridgeshire Constabulary and the County Council will be present to explain the proposed increase in speed limit and also answer any questions residents may have regarding this "experiment".

Tesco Sale of Newspapers/Magazines

The Clerk had received a reply from Tesco explaining that Forbuoys did not share the Parish Council's concern over this matter. However, a representative of Forbuoys could not agree with this statement. Tesco did assure the Parish Council that their action in selling newspapers/magazines would not mean the ultimate loss of the Post Office.

Play Equipment

The Residents Association asked if they could "join forces" with the Parish Council on the purchase of play equipment for the Village. This was unanimously agreed and future joint meetings will be held to set this venture in action.

Transfer of Land - Ideal Homes

Parish Councillors Duce and Green attended a meeting at Ideal Homes to discuss the various areas of land in Appletrees, opposite Watermead, at the front of the Village - adjoining Securicon, and the Information Centre; all of which are still the responsibility of Ideal Homes. Both the land in Appletrees and opposite Watermead will be transferred as soon as legal documents can be prepared. The other area of land and the Information Centre will need further decisions to be made in the future.

Bridleway/Footpath - Bar Hill-Dry Drayton

Discussions are still proceeding between Councillor Hall, Councillor Hawkes of Dry Drayton and Mr. Brown of the Council Council in their aim to improve the bridleway and footpath.

The next Parish Council Meeting will be held on Thursday 19th May.

Mrs. C. McDermott, Clerk to Parish Council. Tele: CH 80456

Clerk in attendance weekday mornings, ansephone operates other times.

THE POOR HAVEN'T A SHARE IN THE WORLD

You may not have gone in for British Telecom or British Gas or any of the other share issues - you may not have had any spare cash to use. But if not shares, you're very likely in Bar Hill to own a house or to be buying one with the help of a mortgage. Even if you don't have a house, most of us would accept that we get our share of what this world has to offer.

We murmur from time to time about people who don't seem to get what they deserve, or don't deserve what they get; and we could always do with a bit more, but to be fair we've not got too much cause to grumble. The same cannot be said, as we all know, about a small but significant number of people here in our own country and huge numbers of people in the so-called Third World. Though people in real need seem to spend very little time grumbling about it.

There are many sad stories to be told of rich people in Brazil owning huge tracts of land, much of which they don't want to use, who drive off the poor rather than let them settle and grow food; of hungry people in Africa still short of food in a world of surplus; of needless death and disease caused by lack of access to clean drinking water and basic sanitation; of children without education.

Christian Aid Week is about problems like these and many, many more. Christian Aid Week is about beginning to help the poor claim a fair share in the world God has made for us all. Please look around at what you have and give thoughtfully,

P.S. This short article has been written by the Bar Hill Christian Aid and World Development Group. It meets regularly to be better informed and to act in support of the world's poor. Please phone Derek or Clain Ford on Crafts Hill 80964, or call at 137 Pheasant Rise for a programme.

DEAR RESIDENT

The Ely Cathedral Restoration Fund has just benefited from a donation of £3,000 raised over the past 2 years by The Friends of Cambs in Kreis Viersen, W. Germany. The cheque was presented to the Cathedral at a recent Special Service by the Chairman of the Kries Viersen Twinning Committee who with others was on a visit to Cambridgeshire

The twinning link with Kries Viersen started in 1971, is very strong with over 8000 people visiting Germany and a similar number making reciprocal visits to Cambridgeshire. Kreis Viersen is close to the Dutch border and is similar in size to Cambridgeshire, mainly rural with little heavy industry. Many schools, Colleges of Further Education, Youth Clubs, Sports Organisations, Art, Social and Drama Clubs regularly exchange visits between the two areas. Cambridgeshire also has twinning links with other countries including the U.S.A., Canada and France and is seeking to expand its connections in the coming years.

The new library development for Bar Hill is running behind schedule owing to delays in appointing an architect. However, it is hoped that matters will have caught up in time for the opening in the summer of 1989.

The development of improved community and sporting facilities at the Primary School have again been discussed by the Community Education Working Group and firm proposals are being drawn up by officers. It is hoped that these proposals can be publicly discussed in the near future and architects instructed to integrate these developments with classroom extensions now being designed.

The Education Working Party on Post 16 Education has announced that it is looking in detail at the University Farm Site between Huntingdon Road and Madingley Road as the site of the new regional college. This site lies in the Green Belt and if the University, owners of the site, agreed to sell the C.C. would need planning permission which would lead to a public enquiry.

There have also been applications lodged with the District Council for the 4 'Park and Ride' car parks; one at Barton Road, Coton lies within the green belt and this too is likely to go to public inquiry some time in the autumn.

ADVANCED WARNING TO MOTORISTS The A604 Huntingdon by-pass will be undergoing major repairs for 6 months from May/June, long delays can be expected.

If anyone wishes to contact me please either telephone 'Careline' on CH 80975 or write to Councillor John Reynolds, 4 Pettitts Close, Dry Dray

SELF-HELP GROUP

Regretfully the meetings of the Self-Help group have had to be discontinued due to poor attendance.

We started as a group to give advice on Head Lice infections but were moving on to other topics of interest to parents.

I would like to thank the eager few who attended all the gatherings and those who agreed to be on the list of contacts.

Those who attended the first meeting hoped that the list of names who could be contacted in case of Head Lice infection (on posters in school and Health Centre) could be maintained.

Thank you again to those who helped to form the group.

Brenda Whitfield,
School Nursing Sister
